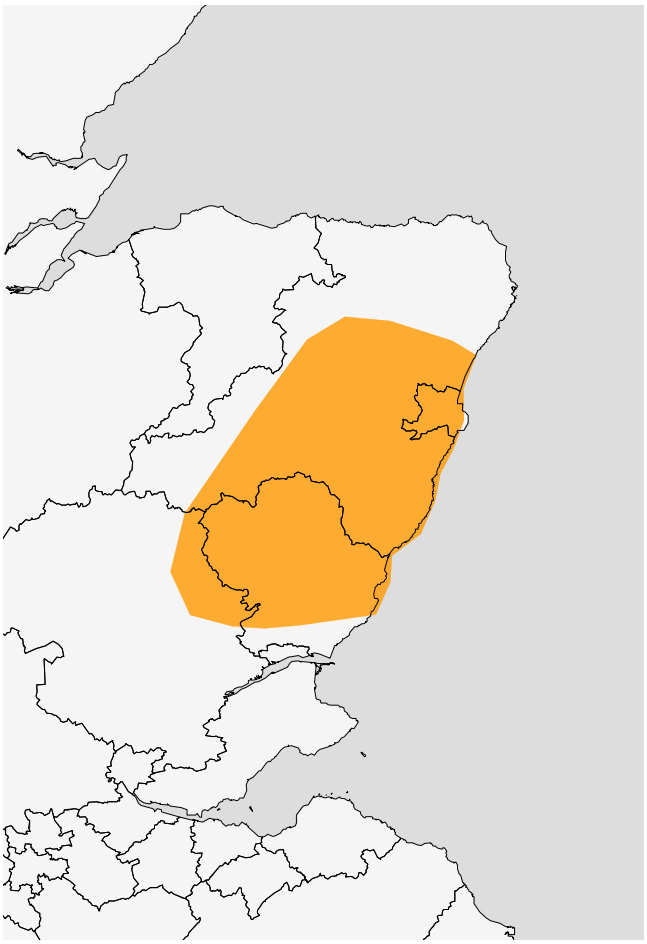
Amber warning
Rain

Between
00:00 Fri 18 Nov 2022 and
21:00 Fri 18 Nov 2022



Heavy and persistent rain likely to cause flooding and disruption.

What to expect

- Homes and businesses flooded and damage to some buildings
- Some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses
- Delays or cancellations to train and bus services
- Spray and flooding leading to difficult driving conditions and some road closures
- Danger to life from fast flowing or deep floodwater

Further details

Heavy rain within the warning area continuing through Friday, is likely to produce over 100 mm of rain, including that which fell on Thursday, with parts of the Grampians and Cairngorm perhaps seeing upwards of 150 mm. Areas around Inverurie, Ballater and Brechin will be particularly badly affected with some flooding to properties expected. Rain should ease later Friday, although rivers may continue to run high beyond this.
